

AMSCHWAND SARCOMA CANCER FOUNDATION
Offering love, hope, and tangible support

NOTICE TO GRANT APPLICANTS

The Amschwand Sarcoma Cancer Foundation and its Board of Directors strongly discourage applications that include requests for institutional overhead. This policy allows our growing non profit to support more sarcoma researchers in their efforts to better understand the cause, prevention and/or treatment of this much under-funded form cancer.

We hope that your team will consider applying for a grant from ASCF without a request for institutional overhead funding. As always, thank you for your part in helping us to advance our mission of:

- promoting sarcoma awareness,
- advancing sarcoma-specific research, and
- providing tangible support to patients and families affected by this rare disease.

Should you have any other questions, please feel free to contact us at info@sarcomacancer.org.

With Gratitude,

Melissa Amschwand Bellinger
Executive Director/Board Chairman
