

AMSCHWAND SARCOMA CANCER FOUNDATION  
*Offering love, hope, and tangible support*

Dear Patient, Caregiver, Family and Friends,

Let me start by thanking you for the opportunity to provide support to you and/or your family during this difficult time. Since our inception, the Amschwand Sarcoma Cancer Foundation has had the privilege to serve many who, like you, have waged personal war against sarcoma or other rare forms of cancer.

Unfortunately, patients affected by rare cancers often must travel incredible distances to receive treatment and/or follow-up from those who have experience with their disease. As a result, many families diagnosed with these rare cancers may find themselves adversely affected by the emotional and financial tolls that sometimes can result from seeking care away from home.

The Amschwand Sarcoma Cancer Foundation is proud to be able to offer assistance to families like yours in the form of our Shared Families (Temporary Short-Term Housing) Program. It is our prayer that by providing such assistance, you and your family can focus your energies and resources on the things that only you can do.

Because this is your battle, only you know what works best in terms of support and assistance. As such, we would encourage you to share your thoughts on the program after your stay with us. An evaluation form has been included to facilitate your doing so. In the meantime, please feel free to enjoy the other goodies and resources included in your welcome bag.

Again, it is our privilege to assist you in this very personal journey.

Yours in service,
